**ORDER :**

The Government in G.O.Ms.No.135 EFS&T (For.III) Department, Dt.09.08.2010, have appointed the APFDC Ltd., as agent to Government for 2011 Beedi Leaf season, as proposed by the Principal Chief Conservator of Forests, Andhra Pradesh, Hyderabad.

2. The Principal Chief Conservator of Forests, Andhra Pradesh, Hyderabad vide reference 2<sup>nd</sup> read above, has reported that during 2010 Beedi Leaf season out of the 403 Beedi Leaf units, with target of 5,76,829 SBs notified for sale, 309 units were disposed off. The achievement has been 3,00,113 SBs which comes to 54% of target of Beedi Leaf collection. It is proposed to initiate the sale process for 2011 season in advance as was done in 2010 Beedi Leaf season to take advantage of early sales to dispose of maximum number of Beedi Leaf units. A meeting in this regard was held with the Chief Conservator of Forests / Conservator of Forests of Telangana Region and FDPT, Srisailam and A.P Beedi Leaves Forest Contractors Association on 19.10.2010 to discuss various issues in Beedi Leaf collection. At the time of discussions, it was represented that the main reason for less collection of leaf, as compared to the targeted quantities was mechanized preparation of agricultural lands, due to which much of the pruned leaf was not available. Further in the last 2 years, due to introduction of NREGS the labourers are preferring to go for easier works near about villages, than to go deep in to the forests for collection of leaf. Accordingly the A.P Beedi Leaves Forest Contractors Association has requested for reducing the target by taking 3 years average into account which has come to 4,27,350 SBs, as compared to 2010 target of 5,76,829 SBs, thus with a reduction of 1,49,479 SBs. The Association vide representation dt. 9.12.2010 has also requested to fix up the target for Khammam circle for 2011 season, as same as 2010 season target and for the other 5 circles i.e Warangal, Adilabad, Nizamabad, Hyderabad and FDPT Srisailam on an average of last 3 years.

3. Keeping in view of the above position, the Principal Chief Conservator of Forests, Andhra Pradesh, Hyderabad has proposed some minor changes in the sale notice and agreement conditions of 2011 Beedi Leaf Season after the discussions with the Association members and furnished to the Govt. for necessary orders.

4. Government after careful examination of the matter with reference to the material available and the proposal of the Principal Chief Conservator of Forests, Hyderabad, hereby permit the Principal Chief Conservator of Forests to conduct the sale for 2011 Beedi Leaf Season on the following dates:-
